

The Leading International Digital
Media Event for the Middle East,
Africa and South Asia

The Definitive International Satellite
Event for the Middle East, Africa
and South Asia

3 - 5 March 2009

Dubai International Convention and Exhibition Centre

Open to Business and Trade only

YOUR PARTNER FOR SUCCESSFUL BUSINESS ASSOCIATIONS IN THE REGION

Globally recognised as the third largest regional event, CABSAT has been growing from strength to strength in delivering quality visitors to exhibitors. CABSAT is the ideal event for companies wanting to gain an edge over their competitors. Relationships are crucial in all business dealings and all the more important in the MENA region, where face-to-face meetings are critical to successful partnerships. Through CABSAT, you can build profitable one-to-one business associations in the region.

We are also proud to introduce Satellite MENA, a targeted exhibition for the Satellite industry. Satellite MENA will operate alongside CABSAT MENA, the leading event for the Digital Media industry. Keeping our finger on the pulse of the market, we aim to deliver the audience that matters most to your business.

CABSAT MENA, the leading international event for the digital media industry, will showcase the latest products and services from the entire spectrum of the digital media industry, from content creation to management, to delivery.

CABSAT MENA is the perfect platform to network with the industry and explore opportunities that are available in the region. Forge partnerships with broadcasters, production companies, hoteliers, system integrators, distribution channels and many others.

Satellite MENA, the first ever definitive international event for the satellite industry in the region, will serve broadcasters, commercial entities, telecoms operators, government, NGOs and military.

Satellite MENA is *the* networking platform to explore business opportunities, formulate strategies and create partnerships for video, voice, data and IP communications over satellite.

Show features include industry-specific conferences, technology focus areas and awards ceremonies and much more.

- One Venue
- Two power packed events
- Three days of networking and knowledge experience
- 650 participating companies from 50 countries
- Over 9,300 quality visitors from the region
- 94% of exhibitors considered the event to be an important part of their marketing strategy
- 91% of visitors felt that attending the event would enhance their future work and knowledge
